CODE SECTION: Administrative Policy and Procedure

TOPIC: Express Inspections

PURPOSE/REASON: Initial express inspection time will be ½ hour with \$100.00 minimum charge. Cost per hour to remain at \$100.00

INTERPRETATION: Time and cost for express inspections to be determined by the upcoming fee study. Current policy of initial 1 hour block of time remains_ in effect. If contractor/homeowner requests additional express time than was scheduled the inspector should make every effort to oblige at the additional cost of \$100.00 per hour. If the inspector's workload will lead to holdovers, he should contact dispatch to see if help is available. If no help is available the inspector needs to complete his/her work and contact their supervisor.
